VETERAN'S NEED LIST (clothing room) UPDATE:

Some of you are requesting a needs list update. The efforts of the FOTCVC "Friends Of The Claremore Veterans Center" continue to do a great job in supporting our vets, and we appreciate your efforts. If we fail to send you a letter of appreciation please let me know. Please update your contact information with request just in case.

DIABETIC SHOES

These kind of shoes are very expensive but rehab says Dr. Scholl's shoes are almost 75% cheaper and most of our veterans are in wheelchairs so the wear and tear on shoes is insignificant.

Sizes they suggest:

*Men's 9_10_11&12. The wider the size the better. We need one 14 Sz.

We do not need women's shoes at this time.

Favorite colors are black and dark brown

\$29.97 Dr. Scholls Issac Walking Shoe

\$30.00 Dr. Scholl's - Men's Michael Air-Pillo Gel Velcro Shoes,...
